MEMORANDUM FOR 71 STUS

FROM: 71 STUS/CC

SUBJECT: Alcohol Policy

1. The purpose of this memorandum is to establish guidelines regarding the use of alcohol by 71 STUS personnel.
2. Alcohol use can be grouped into the broad categories of official (in government facilities and/or while in uniform) or unofficial (all other situations).
 - a. Official: STUS personnel will not consume alcohol in Building 690 during duty hours (0730-1630) without the permission of the CC or DO. Students in training attached to the FTSs will adhere to the policy of the FTS/CC regarding alcohol use. All STUS personnel who choose to consume alcohol while in uniform (e.g. Assignment Night, Graduation, etc.) must do so in a manner that does not bring discredit upon themselves or the Air Force.
 - b. Unofficial: All STUS personnel will exercise good judgment, ensure proper risk management assessment, and have a sound Designated Driver plan in place when consuming alcohol. In other words: have fun, be responsible, and take care of each other!
3. Finally, all personnel will respect the choice of those who choose not to consume alcohol and will not apply undo pressure to alter the choice. Please direct any questions on this policy to your Flight Commander, the DO, or myself.
